Konu: Happy birthday VDA!

Dear President Mr. Düzgit,

Günaydın!

We know that November 6th is a very special date for the Ship Owners and Ship Agents in Turkey, as **VDA** reaches impressive 113 years of existence!

It is indeed a huge achievement and we are absolutely sure that all your Members and all others who took part in the construction of this long and successful history must be extremely proud, for having the Maritime Association of Shipowners and Agents to defend their legitimate interests and promote the development of the maritime transport in Turkey for more than a century!

On behalf of FONASBA, please receive my most sincere congratulations to you, to your Vice-President Mr. Turkantos and other members of your Board of Directors, to Ms. Yasemin and others assisting **VDA**, as well as to all your Members!

Kind personal regards,
Glen Gordon Findlay
President
