

Dear All,

Please find below an offer kindly extended to all members (and your company members) by BIMCO to participate in a 60 minute webinar on the Organisation's recently released Anti-Corruption Clause. This new clause has generated a lot of debate within the industry and this webinar is an opportunity to gain a detailed insight to the Clause, presented by senior members of the BIMCO Documentary Committee who drafted it. Aspects of the Clause will impact on both our ship broker and ship agent members and we would recommend that all member associations circulate the information below to your companies. You will note that the webinar is being broadcast twice on **Tuesday 15th March**, once at 10.00 am Central European Time (9.00 am GMT/UTC) and again at 13.00 CET (12.00 GMT/UTC) to cover as many countries as possible.

Anyone wishing to sign up to the webinar is asked to contact BIMCO directly (not via this office) by email to membership@bimco.org or by Ctrl/Click on the "Sign up here" box below if that link still works when you receive it. Any technical enquiries regarding the webinar should also be sent to BIMCO.

We trust this webinar will prove interesting and informative and would like to thank our colleagues from BIMCO for making it available to the FONASBA membership.

Best regards,

JONATHAN C. WILLIAMS FICS
GENERAL MANAGER
