ENQUIRY RESPONSE FORM

ORIGINATING ASSOCIATION:	FONASBA
ENQUIRY DETAILS: FONASBA currently provides access to the training courses provided by the World Customs Organisation and International Chambers of Commerce. To date however, there has been no take up of the courses through the portals on the FONASBA website. The survey is being issued in order to ascertain the reasons for the apparent lack of interest in the courses from association company members.	<i>Are your company members not taking up the WCO and ICC courses because:</i> <ol style="list-style-type: none"><i>1. All external training has been suspended due to the COVID-19 pandemic or lack of available funding?</i><i>2. Is the subject matter not relevant to the needs of the company and its staff?</i><i>3. Are the course fees too high?</i><i>4. Is the course content not relevant to the needs of your members?</i><i>5. Do the courses conflict with other courses provided by your association?</i><i>6. Do you regularly remind your members of the availability of these courses?</i><i>7. How does the level of education activity within your association this year compare to last?</i><i>8. Finally, please give your views on the current scope and coverage of the FONASBA education programme and suggest other subjects you would like to see being provided.</i>
