

Weekly Market Report

Week 26 - 2026

FIXBO – the Short Sea Shipping Platform for Europe – is an established, highly sophisticated short sea shipping platform for all parties working in the greater European coastal trade, offering fixture reports, the **FIXBO-index**, market reports with the possibility to generate custom made analysis.

A lot of what has been fixed you can find on fixbo.eu among **50210 fixbos** with a total cargo volume of **226.3 mil tons**. If you do not want to read them all you can organize them by using the map or you can set filter for sizes and periods and make your own statistics. It is so easy!
