

FONASBA

YOUNG SHIP AGENT OR SHIPBROKER OF THE YEAR AWARD 2023

PURPOSE:

The aim of the Award is to develop professionalism among young people in ship agency and shipbroking and to encourage them to be actively engaged in the industry. A further objective of the Award is to enhance FONASBA's academic resources.

AUTHOR ELIGIBILITY CRITERIA:

The author shall be 40 years of age or under at the time of submission of the paper to the Review Committee. Entries are welcome from eligible individuals employed by a company that is a member of a FONASBA Full or Candidate Member association or by an Associate or Club Member; and from external authors who are employed elsewhere. At its absolute discretion, FONASBA may limit the number of entries received from external authors.

PAPER CRITERIA:

The paper should present a comprehensive analysis of the role of the ship agent or shipbroker in a specific field or market sector. Candidates may wish to write on a specific shipping market (for example dry bulk, tanker, liner, passenger or offshore shipping or sale and purchase), another sector of the international maritime industry such a ship management or alternatively on a broader topic such as "New business opportunities in a changing shipping world" or "The profession of the ship agent (and or) ship broker in 2025". It should be written in such a way as to be understood by both professionals in the field as well as general (non-maritime) readers. To avoid duplication of subjects covered, and to ensure consistently high standards, the subject of the paper will be agreed between the author and the Review Committee prior to work starting. The author will therefore be invited to submit the title and a summary of between 350 and 500 words outlining the scope and contents of the work to the Committee for review and comment. The Committee may suggest such changes to the proposal as it feels appropriate to ensure the finished work meets the required standards.

The work itself shall comprise a formal written paper (illustrated if appropriate) to a minimum of 5,000, maximum 10,000 words, excluding the title, indices, footnotes and bibliography. The paper will be written in English and submitted in 12-point font. The paper shall be an original work and shall not have been published in print or electronic media prior to being submitted for the Award.

The timetable for entering a paper to the Award scheme is provided overleaf.

OWNERSHIP/PUBLICATION OF ALL PAPERS:

Copyright of the paper remains with the author but in entering for the Award, the author agrees that the work will be made available to the membership and the public via the FONASBA website.

REVIEW PROCESS:

All aspects of the review process and selection of the winner of the Young Ship Agent/Shipbroker of the Year Award will be undertaken by a Review Committee comprised of the following:

- A senior member of FONASBA as Chair, nominated by the Executive Committee

The Review Committee will be supported by the FONASBA Secretariat which will administer all aspects of the Award scheme, including all communication with the authors.
